FISCAL NOTE

This bill increases the salary for legislators from $150 per day to $175 per day.

This bill is effective January 7, 2019. Therefore, the fiscal impact of this bill would initially take place in the upcoming 2019-20 biennium.

This bill would increase the total salary expenditure for the Legislature by approximately $460,000 per fiscal biennium.

This bill would also increase the salary expenditures for those salaries in the executive and judicial branches statutorily set to be equal to the legislator salary in W.S. 28-5-101. This fiscal impact is not determinable due to insufficient time to complete the fiscal note process.
