AGENCY:	Board of Medicine
DATE SUBMITTED:	September 14, 2017
SUBJECT:	Chapter 1—License Eligibility, Application and Interviews.
NATURE OF RULES:	Legislative; procedural.
STATUTORY AUTHORITY:	W.S. 33-26-202(b)(v) and (xvi).

DETERMINATION OF PROCEDURAL COMPLIANCE BASED UPON INFORMATION SUBMITTED BY THE BOARD OF MEDICINE TO LSO: Apparently complete to date. Notice of the proposed adoption of new rules was provided by the LSO as required by W.S. 28-9-103(d). No comments have been received to date.

SUMMARY OF RULE: This rule was promulgated by the Board of Medicine as a result of the Wyoming Legislature's enactment of the Interstate Medical Licensure Compact in 2015 (HB 107/HEA 56) and subsequent conforming amendments made in 2017 (HB 241/HEA 92). This rule authorizes the Board to request a criminal history record report on a physician who is licensed to practice medicine in Wyoming and seeks a letter of qualification from the Board for licensure in another state pursuant to the Compact.

FINDINGS: The rule appears to be within the scope of statutory authority and legislative intent.

TECHNICAL NOTE: Section 3 of the certification page (State Government Notice of Intended Rulemaking) was not completed by the Board of Medicine.

STAFF RECOMMENDATION: That the rule be placed on the Consent List and be approved by the Council as submitted by the Board of Medicine.
