9

10 **9-4-218. Federal natural resource policy account**
11 **created; purposes.**

12

13 (a) There is created within the special revenue fund
14 an account known as the "federal natural resource policy
15 account." Funds within the account may be expended by the
16 governor on behalf of the state of Wyoming and its local

1 governments, to take any of the actions specified in this
2 subsection in response to federal land, water, air, mineral
3 and other natural resource policies which may affect the
4 tax base of the state, wildlife management, state species,
5 recreation, private property rights, water rights or
6 leasehold rights. Funds also may be expended for preparing
7 and participating in environmental impact statements and
8 environmental assessments, including analysis of economic
9 or social and natural or physical environmental effects on
10 the human environment. The governor may expend funds from
11 the federal natural resource policy account for:

12

13 (v) Training seminars educating state and local
14 government officials and employees on the provisions and
15 requirements of the federal National Environmental Policy
