6 *Be It Enacted by the Legislature of the State of Wyoming:*

7

8 **Section 1.** There is appropriated from the general
9 fund to the adjutant general nineteen thousand four hundred
10 fifty dollars (\$19,450.00) for the development of a master
11 plan for the Oregon Trail state veteran's cemetery. The
12 plan shall be developed in accordance with federal
13 requirements to allow for reimbursement of expenditures for
14 the development, expansion and operation of the cemetery.
15 To the extent reimbursement is available, the adjutant
16 general shall apply to appropriate federal agencies for

1 reimbursement of expenditures for the development of the
2 master plan. Any reimbursement of expenditures made under
3 this section shall be deposited with the state treasurer to
4 be placed in the general fund.

5

6 **Section 2.** The adjutant general shall report to the
7 joint transportation and highways interim committee not
8 later than September 15, 2004, regarding the development of
9 a master plan for the Oregon Trail state veteran's
10 cemetery. The report shall include a timeline for future
11 expansion and development, anticipated costs for each phase
12 of expansion and development and the available funding
13 sources for expansion and development.

14

15 **Section 3.** This act is effective immediately upon
16 completion of all acts necessary for a bill to become law
17 as provided by Article 4, Section 8 of the Wyoming
18 Constitution.
