

ENROLLED ACT NO. 93, SENATE

FIFTY-EIGHTH LEGISLATURE OF THE STATE OF WYOMING
2005 GENERAL SESSION

AN ACT relating to school finance; imposing conditions upon school district equipment purchases reimbursed under the special education adjustment to the cost-based school finance funding formula; modifying required district reporting accordingly; and providing for an effective date.

Be It Enacted by the Legislature of the State of Wyoming:

Section 1. W.S. 21-13-321 by creating a new subsection (g) is amended to read:

21-13-321. Special education; adjustment to foundation program formula.

(g) Assistive technology equipment included within district expenditures for special education programs and services and reported under paragraph (b)(ii) of this section, which was acquired to assist a student with a specific disability, shall to the extent practicable, transfer with that student if the student transfers to another school district within the state. Within the report required under subsection (d) of this section, districts shall separately document assistive technology equipment including an inventory of assistive technology equipment and the status of the usage levels of the equipment and shall report to the department equipment which is accordingly transferred to another school district or which is currently unused by the district. The provisions of this subsection requiring transfer of assistive technology equipment apply only if no other student within the district currently uses the equipment and the equipment is capable of transfer to another district.
