5 *Be It Enacted by the Legislature of the State of Wyoming:*

6

7 **Section 1.** W.S. 15-1-201 is amended to read:

8

9 **15-1-201. Territories which may incorporate.**

10

11 Any territory, including multiple territories which are  
12 served by a common culinary water system, not included in  
13 any incorporated city or town, having a total resident  
14 population of not less than two hundred (200) persons and  
15 containing within its boundaries an area of not more than  
16 three (3) square miles, may be incorporated as a town in

1 the manner provided in this article. When territories  
2 served by a common culinary water system are incorporated  
3 under this act, the pipelines connecting the territories  
4 shall be included in the town limits.

5

6 **Section 2.** This act is effective July 1, 2005.
