County road construction fund.

Sponsored by: Representative(s) Lockhart, Gay, Harvey and
Pedersen and Senator(s) Cooper and Townsend

A BILL

for

1 AN ACT relating to county roads; modifying restrictions on
2 use of county road construction funds; and providing for an
3 effective date.

4

5 *Be It Enacted by the Legislature of the State of Wyoming:*

6

7 **Section 1.** W.S. 24-2-110(d) is amended to read:

8

9 **24-2-110. Cooperation with counties in construction**
10 **of county roads; allocation of costs; state-county road**
11 **construction account established.**

12

13 (d) Use of funds under this section shall not include
14 routine maintenance, however funds may be used on existing
15 county roads in order to improve and eliminate isolated
16 problem areas. Authorized expenditures may include but are

1 not limited to culvert installation, minor grading, cattle
2 guard installation and crushing of gravel for stockpile
3 purposes for use on existing county roads other than state
4 highways. Of all funds credited to the road construction
5 fund under W.S. 39-14-801(d)(vii) and 39-17-111(d)(ii), a
6 county may use not more than one hundred thousand dollars
7 (\$100,000.00) of its unobligated share of the prior year's
8 contribution to the fund, for county road and bridge
9 expenditures authorized under this subsection.

10

11 **Section 2.** W.S. 39-17-111(h) is repealed.

12

13 **Section 3.** This act is effective July 1, 2005.
