7 **Section 1.** W.S. 21-16-1307 by creating a new  
8 subsection (c) is amended to read:

10 **21-16-1307. Success curriculum; test standards.**

11

12 (c) From the information provided pursuant to W.S.  
13 21-16-1308(b)(i), each school district shall provide every  
14 student registering for ninth grade a summary of available  
15 Hathaway scholarships, curriculum requirements to earn a  
16 scholarship and earning differences anticipated at various  
17 post-secondary education levels. Students enrolling for

1 grade nine (9) in the 2007-2008 school year and thereafter  
2 shall be registered for the success curricula required  
3 under this section for Hathaway scholarship recipients in  
4 each year of grades nine (9) through twelve (12) unless the  
5 student and the student's parent or guardian execute a  
6 written waiver in accordance with this subsection.  
7 Together with the other information required under this  
8 subsection each student enrolling in ninth grade shall be  
9 provided a waiver form which explains that by signing the  
10 waiver the student and parent understand the student is  
11 electing not to take a curriculum which is required for a  
12 Hathaway scholarship and that by doing so the student may  
13 be limiting opportunities for other scholarships available  
14 to attend college. For any student initially enrolling in  
15 a school district in grades ten (10) through twelve (12) in  
16 the 2007-2008 school year and thereafter, the district  
17 shall provide the same information and waiver unless the

19 another Wyoming school district or the student can no  
20 longer meet the curriculum requirements of this section.
