

ENROLLED ACT NO. 67, SENATE

FIFTY-NINTH LEGISLATURE OF THE STATE OF WYOMING
2007 GENERAL SESSION

AN ACT relating to school facilities; clarifying expenditures of major maintenance payments for district enhancements; accordingly clarifying reporting requirements; and providing for an effective date.

Be It Enacted by the Legislature of the State of Wyoming:

Section 1. W.S. 21-15-109(f) is amended to read:

21-15-109. Major building and facility repair and replacement payments; computation; square footage allowance; use of payment funds; accounting and reporting requirements.

(f) Notwithstanding subsection (e) of this section, a district may expend up to ten percent (10%) of the amount distributed during any school year under subsection (b) of this section for major building and facility repair and replacement needs of the district which are not specified in the district's facility plan, including expenditures for maintenance of district enhancements. Expenditures shall be made under this subsection only after the district's building and facility repair and replacement needs specified in its facility plan have been addressed in accordance with subsection (e) of this section and the commission has approved the district's proposed expenditures under this subsection. Effective for the July 1, 2007 payment under this section and each payment thereafter, amounts not expended for purposes of this subsection during any school year may be accumulated by a district and earmarked within the separate account established under subsection (e) of this section for expenditure under this subsection in subsequent school years, provided the unexpended amount during any school year to be accumulated does not exceed ten percent (10%) of

the amount distributed to the district under subsection (b) of this section for that school year. Each district shall include expenditures under this subsection and any amounts accumulated from year-to-year under this subsection within the annual report required under subsection (e) of this section. Nothing in this subsection shall prohibit or limit the application of subparagraph (c)(i)(D) of this section in computing a district's building and facility gross square footage for purposes of determining payment amounts under this section. If any school district exceeds expenditure limitations prescribed by this subsection or fails to comply with expenditure levels for facility adequacy needs identified within its facility plan, the payments for that district in the immediately succeeding year shall be reduced by the excess expenditure amount including any excess expenditure of amounts accumulated under this subsection.
