

SENATE FILE NO. SF0055

Water quality-effluent standards.

Sponsored by: Senator(s) Schiffer and Representative(s)
Berger and Madden

A BILL

for

1 AN ACT relating to environmental quality; modifying the
2 authority of the administrator of the water quality
3 division to recommend rules establishing effluent standards
4 and limitations; and providing for an effective date.

5

6 *Be It Enacted by the Legislature of the State of Wyoming:*

7

8 **Section 1.** W.S. 35-11-302(a)(ii) is amended to read:

9

10 **35-11-302. Administrator's authority to recommend**
11 **standards, rules, regulations or permits.**

12

13 (a) The administrator, after receiving public comment
14 and after consultation with the advisory board, shall
15 recommend to the director rules, regulations, standards and
16 permit systems to promote the purposes of this act. Such

1 rules, regulations, standards and permit systems shall
2 prescribe:

3

4 (ii) Effluent standards and limitations
5 specifying the maximum amounts or concentrations of
6 pollution and wastes which may be discharged into the
7 waters of the state. † Effluent standards and limitations
8 recommended by the administrator may:

9

10 (A) Require the use of best management
11 practices; and

12

13 (B) Specify the maximum quantity of water
14 that may be released in connection with a discharge.

15

16 **Section 2.** This act is effective July 1, 2007.

17

18
