21 **9-12-1206. Authority bonds not state or subdivision**
22 **obligation.**

23

1 Obligations issued under the provisions of this article
2 shall not be deemed to constitute a debt, liability or
3 obligation of the state or of any political subdivision
4 thereof, nor a pledge of the full faith and credit of the
5 state or any political subdivision, but shall be payable
6 solely as provided in this article. Each obligation issued
7 under this article shall contain on the face thereof a
8 statement to the effect that neither the full faith and
9 credit, nor the taxing power of the state, or of any
10 political subdivision thereof is pledged to the payment of
11 the principal of or the interest on such obligation. All
12 obligations of the authority issued under the provisions of
13 this article shall be authority bonds or notes and shall

15

16 **9-12-1207. Bond authorization; terms and sale;**
17 **interest rate; noninterest bearing bonds; redemption;**
18 **negotiable; execution.**

20 (a) The bonds shall be authorized by a resolution of
21 the authority, shall bear such date or dates and shall
22 mature at such time or times as the resolution or the
23 instrument providing for the issuance of such bonds may

1 provide, except that no bond may mature more than fifty
2 (50) years from the date of its issue. The bonds shall
3 bear interest at such rate or rates, be in such
4 denominations, be in such form, either coupon or
5 registered, be evidenced by physical certificates or
6 uncertificated, carry such registration privileges, be
7 executed in such manner, be payable in such medium of
8 payment, at such place or places, and be subject to such
9 terms of redemption, including redemption prior to
10 maturity, as such resolution or the instrument providing
11 for the issuance of such bonds may provide. No other state
12 laws relating to the offer, sale or issuance of revenue
13 bonds or any other security may apply to bonds issued by
14 the authority. Bonds of the authority may be sold by the
15 authority at public or private sale, and at such price or
16 prices as the authority shall determine. The bonds of the
17 authority may bear interest at a fixed, variable or

20 be based upon any formula or contractual arrangement for
21 the periodic determination of interest rates, all as may be
22 established in the resolution or instrument providing for
23 the issuance of such bonds. Any such formula or

1 contractual arrangement may authorize the delegation of the
2 interest rate setting function to a third party subject
3 only to such standards or criteria as shall be set forth in
4 the resolution or instrument providing for the issuance of
5 such bonds. In no event may the setting or resetting of
6 the rate of interest on the authority's bonds or the
7 conversion from one method of determining interest to
8 another constitute a reissuance or refunding of bonds
9 issued by the authority if such action is taken in
10 accordance with the resolution or instrument providing for
11 the initial issuance of such bonds. The authority may
12 issue noninterest bearing bonds or bonds bearing interest
13 at a rate of zero percent (0%) and sell the same at such
14 price or prices as may be determined by the authority.

15

16 (b) The authority, subject to such agreements with
17 bondholders as may then exist, may purchase and cancel its
18 bonds out of any funds available therefore, at any
19 reasonable price which, if the bonds are then redeemable,
20 may not exceed the redemption price then applicable plus
21 accrued interest to the next interest payment thereon.

22

1 (c) Whether or not the bonds are in the form and
2 character of negotiable instruments, the bonds are hereby
3 made negotiable instruments, subject only to provisions of
4 the bonds relating to registration.

5

6 (d) Bonds of the authority may be executed by the
7 manual or facsimile signatures of the officers of the
8 authority authorized by the resolution of the authority to
9 execute such bonds. If such resolution authorizes or
10 directs the affixing of the seal of the authority on bonds
11 of the authority, such seal or a facsimile thereof may be
12 impressed or imprinted thereon. In the event that any
13 officer of the authority shall cease to be an officer of
14 the authority prior to the delivery of any bonds or coupons
15 signed by them, their signatures or facsimiles thereof
16 shall nevertheless be valid and sufficient for all
17 purposes, the same as if such members or officers had
18 remained in office until such delivery.

19

20 **9-12-1208. Pledges by authority.**

21

22 Any pledge made by the authority shall be valid and binding
23 from the time when the pledge is made. The revenue, money

1 or properties so pledged and thereafter received by or on
2 behalf of the authority shall immediately be subject to the
3 lien of such pledge without any physical delivery thereof
4 or further act, and the lien of any such pledge shall be
5 valid and binding as against all parties having claims of
6 any kind in tort, contract or otherwise against the
7 authority, irrespective of whether the parties have notice
8 thereof. Neither the resolution nor the trust indenture,
9 if any, nor any other instrument by which a pledge is
10 created need be recorded.

11

12 **9-12-1209. Immunity from personal liability on bonds.**

13

14 Neither the members of the authority nor any other person
15 executing the bonds issued under this article is subject to

19 **9-12-1210. State pledge not to alter rights of**
20 **authority to detriment of its bondholders.**

21

22 The state does hereby pledge to and agree with the holder
23 of any bonds issued under this article that the state will

1 not limit or alter the rights vested in the authority to
2 fulfill the terms of any agreements made with the holders
3 thereof or in any way impair the rights or remedies of the
4 holders until the bonds, together with the interest
5 thereon, with interest on any unpaid installments of
6 interest, and all costs and expenses in connection with any
7 action or proceeding by or on behalf of the holders, are
8 fully met and discharged. The authority may include this
9 pledge and agreement of the state in any agreement with the
10 holders of the bonds.

11
