11

12 **Section 1.** W.S. 23-1-505 is created to read:

13

14 **23-1-505. Annual fee adjustments.**

15

1 (a) As provided in W.S. 23-1-702, 23-2-101(e), (f),
2 (j) and (k), 23-2-107(c)(ii) and (e), 23-2-201(d),
3 23-2-301(c), 23-2-306(a) and (b), 23-2-307(b), 41-13-104(f)
4 and 41-13-109(a), the changes in the implicit price
5 deflator for state and local government purchases of goods
6 and services, as published by the United States department
7 of commerce, shall be used by the commission as the index
8 to determine an annual rate of increase or decrease in the
9 application fees, entry fees and fees for licenses, stamps,
10 permits and tags issued by the department.

11

12 (b) The commission shall determine the change in the
13 implicit price deflator for state and local government
14 purchases of goods and services, as published by the United
15 States department of commerce, for the quarter ending March
16 31 of the current year compared to the quarter ending March
17 31 of the previous year. The relative amount of the change
18 may be multiplied by the current application fee or entry
19 fee and for each current license, stamp, permit and tag
20 issued by the department. The product may be rounded to
21 the nearest even dollar amount and the resulting amount may
22 be added to the fee for the current year. If adopted by
23 rule and regulation the resulting amount may be the fee for
24 the license year beginning in the next succeeding calendar

1 year for the application fee and license, stamp, permit and
2 tag issued by the department that is adjusted under this
3 section.

4
5 (c) Notwithstanding any other provision of law, the
6 commission may recalculate the current fees charged for
7 each application fee, entry fee and license, stamp, permit
8 and tag issued by the department to determine that all
9 appropriate indexing has been included in the current fees.

10

11 (d) The calculations provided for in this section
12 shall be reported to the legislature and the governor in
13 the annual report provided in W.S. 23-1-503.

14

15 (e) The commission shall, at least every six (6)
16 years, analyze all application fees and fees for licenses,
17 stamps, permits and tags issued by the department to ensure
18 the appropriate fee is charged. Where appropriate, the
19 commission shall recommend to the legislature that fees
20 established by statute be adjusted to ensure that those
21 fees are appropriate.

22

23 (f) In accordance with W.S. 16-3-104(b)(i), rules
24 promulgated by the commission to adjust fees as provided in

1 this section shall not become effective until after the
2 legislature has convened and adjourned the regular general
3 or budget session next succeeding the adoption of the rules
4 by the commission.

5
