"(m) In determining the amount to be included in the foundation program for each district, the state superintendent shall:

(v) Based upon ADM computations and identified school configurations within each district pursuant to paragraph (iv) of this subsection, compute the foundation program amount for each district as prescribed by the education resource block grant model adopted by the Wyoming legislature as defined under W.S. 21-13-101(a)(xiv), as contained within the spreadsheets and accompanying reports referenced under W.S. 21-13-101(a)(xvii), on file with the secretary of state and maintained by the state superintendent pursuant to W.S. 21-2-202(e). The following criteria shall be used by the state superintendent in the administration of the education resource block grant model:

(F) Amounts provided within the model for health insurance shall be based upon:

(I) Except as provided in subdivision (III) of this subparagraph, prior year statewide average district weighted actual participation in district health insurance plans as to the proportion of employee only, split contracts, employee plus spouse or children and family coverage; ~~and~~

(II) Except as provided in subdivision (III) of this subparagraph, the annualized state contribution rate as of January 1 of the preceding school year, on behalf of each employee and official enrolled in the state group health insurance plan, for employee only, split contracts, employee plus spouse or children and family coverage; ~~and~~

(III) For school year 2017-2018 only:

(1) The amount for health insurance shall be calculated on a reimbursement basis only for individuals actually employed by the district and shall not be paid with funds received pursuant to the foundation program amount under W.S. 21-13-309(p) or funds received under W.S. 21-

ADOPTED SENATE AMENDMENTS

13-334 or 21-13-335. The amount calculated shall be based upon actual participation in district health insurance plans and shall be based on the district's employer paid premium cost not to exceed the annualized state contribution rate as of January 1, 2017, on behalf of each employee and official enrolled in the state group health insurance plan, for employee only, split contracts, employee plus spouse or children and family coverage, as applies to the coverage of each district employee participating in district health insurance plans;

(2) This subparagraph shall not apply to health insurance amounts generated for employees funded as special education employees, transportation employees, food service employees or employees who are funded one hundred percent (100%) with federal funds;

(3) Employees funded with less than one hundred percent (100%) federal funds shall be calculated based on the pro rata amount that the salary of each employee is paid with foundation program funds or funds received under W.S. 21-13-334 or 21-13-335 and calculated as provided in this subdivision.

(H) For school year 2018-2019 only, the amount within the block grant model for core teachers and specialist teachers as defined in "Attachment A" shall be reduced based upon the actual number of core and specialist teachers employed by the school district in school year 2016-2017 so that no district shall receive funding for more core and specialist teachers than were actually employed by the district in the 2016-2017 school year. This subparagraph shall not apply to minimum teachers or any calculation for alternative schools or small schools."
