6 license being sought as satisfying the minimum training and
7 examination requirements for such licensure.

8

9 B. Member states shall expedite the processing of
10 licensure applications submitted by veterans, active
11 military service members, and members of the National Guard
12 and Reserves separating from an active duty tour, and their
13 spouses.

15 C. All individuals functioning with a privilege to
16 practice under this section remain subject to the adverse
17 actions provisions of section 8.

18

19

SECTION 8

20

ADVERSE ACTIONS

21

1 A. A home state shall have exclusive power to impose
2 adverse action against an individual's license issued by
3 the home state.

4

5 B. If an individual's license in any home state is
6 restricted or suspended, the individual shall not be
7 eligible to practice in a remote state under the privilege
8 to practice until the individual's home state license is
9 restored.

11 1. All home state adverse action orders shall

14 to practice in remote states with prior written
15 authorization from both the home state and remote state's
16 EMS authority.

17

18 2. An individual currently subject to adverse

7 individual's privilege to practice within that state.

8

9 E. Any member state may take adverse action against
10 an individual's privilege to practice in that state based
11 on the factual findings of another member state, so long as
12 each state follows its own procedures for imposing such
13 adverse action.

14

15 F. A home state's EMS authority shall investigate and
16 take appropriate action with respect to reported conduct in
17 a remote state as it would if such conduct had occurred
18 within the home state. In such cases, the home state's law
19 shall control in determining the appropriate adverse
20 action.

21

22 G. Nothing in this Compact shall override a member
23 state's decision that participation in an alternative

1 program may be used in lieu of adverse action and that such
2 participation shall remain non-public if required by the
3 member state's laws. Member states must require individuals
4 who enter any alternative programs to agree not to practice
5 in any other member state during the term of the
6 alternative program without prior authorization from such
7 other member state.

14 powers granted under state law, is authorized under this
15 compact to:

16

17 1. Issue subpoenas for both hearings and
18 investigations that require the attendance and testimony of
19 witnesses and the production of evidence. Subpoenas issued
20 by a member state's EMS authority for the attendance and
21 testimony of witnesses, and/or the production of evidence
22 from another member state, shall be enforced in the remote
23 state by any court of competent jurisdiction, according to

1 that court's practice and procedure in considering
2 subpoenas issued in its own proceedings. The issuing state
3 EMS authority shall pay any witness fees, travel expenses,
4 mileage, and other fees required by the service statutes of
5 the state where the witnesses and/or evidence are located;
6 and

7

8 2. Issue cease and desist orders to restrict,

17 joint public agency known as the Interstate Commission for
18 EMS Personnel Practice.

19

20 1. The Commission is a body politic and an
21 instrumentality of the Compact states.

22

1 2. Venue is proper and judicial proceedings by
2 or against the Commission shall be brought solely and
3 exclusively in a court of competent jurisdiction where the
4 principal office of the Commission is located. The
5 Commission may waive venue and jurisdictional defenses to
6 the extent it adopts or consents to participate in
7 alternative dispute resolution proceedings.

8
9 3. Nothing in this Compact shall be construed to
10 be a waiver of sovereign immunity.

11
12 B. Membership, Voting, and Meetings.

13
14 1. Each member state shall have and be limited
15 to one (1) delegate. The responsible official of the state
16 EMS authority or his designee shall be the delegate to this

2 Governor of the state will determine which entity will be
3 responsible for assigning the delegate.

4

5 2. Each delegate shall be entitled to one (1)
6 vote with regard to the promulgation of rules and creation
7 of bylaws and shall otherwise have an opportunity to
8 participate in the business and affairs of the Commission.
9 A delegate shall vote in person or by such other means as
10 provided in the bylaws. The bylaws may provide for
11 delegates' participation in meetings by telephone or other
12 means of communication.

13

14 3. The Commission shall meet at least once
15 during each calendar year. Additional meetings shall be
16 held as set forth in the bylaws.

17

18 4. All meetings shall be open to the public, and
19 public notice of meetings shall be given in the same manner
20 as required under the rulemaking provisions in Section 12.

21

22 5. The Commission may convene in a closed,
23 non-public meeting if the Commission must discuss:

1

2 a. Non-compliance of a member state with
3 its obligations under the Compact;

4

5 b. The employment, compensation, discipline
6 or other personnel matters, practices or procedures related
7 to specific employees or other matters related to the

6 compiled for law enforcement purposes;

7
8 i. Disclosure of information related to any
9 investigatory reports prepared by or on behalf of or for
10 use of the Commission or other committee charged with
11 responsibility of investigation or determination of
12 compliance issues pursuant to the Compact; or

13
14 j. Matters specifically exempted from
15 disclosure by federal or member state statute.

16
17 6. If a meeting, or portion of a meeting, is
18 closed pursuant to this provision, the Commission's legal
19 counsel or designee shall certify that the meeting may be
20 closed and shall reference each relevant exempting
21 provision. The Commission shall keep minutes that fully and
22 clearly describe all matters discussed in a meeting and
23 shall provide a full and accurate summary of actions taken,

1 and the reasons therefore, including a description of the
2 views expressed. All documents considered in connection
3 with an action shall be identified in such minutes. All
4 minutes and documents of a closed meeting shall remain
5 under seal, subject to release by a majority vote of the
6 Commission or order of a court of competent jurisdiction.

7

8 C. The Commission shall, by a majority vote of the
9 delegates, prescribe bylaws and/or rules to govern its
10 conduct as may be necessary or appropriate to carry out the

9 public's interest, the privacy of individuals, and
10 proprietary information, including trade secrets. The
11 Commission may meet in closed session only after a majority
12 of the membership votes to close a meeting in whole or in
13 part. As soon as practicable, the Commission must make
14 public a copy of the vote to close the meeting revealing
15 the vote of each member with no proxy votes allowed;

16
17 4. Establishing the titles, duties and
18 authority, and reasonable procedures for the election of
19 the officers of the Commission;

13 avoid any appearance of impropriety and/or conflict of
14 interest;

16 employment, duties, or responsibilities, or that the person
17 against whom the claim is made had a reasonable basis for
18 believing occurred within the scope of Commission
19 employment, duties, or responsibilities; provided that
20 nothing herein shall be construed to prohibit that person
21 from retaining his or her own counsel; and provided
22 further, that the actual or alleged act, error, or omission

1 did not result from that person's intentional or willful or
2 wanton misconduct.

3

4 3. The Commission shall indemnify and hold
5 harmless any member, officer, executive director, employee,
6 or representative of the Commission for the amount of any
7 settlement or judgment obtained against that person arising

19

20 A. The Commission shall provide for the development
21 and maintenance of a coordinated database and reporting
22 system containing licensure, adverse action, and

1 significant investigatory information on all licensed
2 individuals in member states.

23

1 SECTION 12

2 RULEMAKING

3

4 A. The Commission shall exercise its rulemaking
5 powers pursuant to the criteria set forth in this section
6 and the rules adopted thereunder. Rules and amendments
7 shall become binding as of the date specified in each rule
8 or amendment.

9

10 B. If a majority of the legislatures of the member
11 states reject a rule, by enactment of a statute or
12 resolution in the same manner used to adopt the Compact,
13 then such rule shall have no further force and effect in
14 any member state.

15

16 C. Rules or amendments to the rules shall be adopted
17 at a regular or special meeting of the Commission.

18

19 D. Prior to promulgation and adoption of a final rule
20 or rules by the Commission, and at least sixty (60) days in
21 advance of the meeting at which the rule will be considered
22 and voted upon, the Commission shall file a Notice of
23 Proposed Rulemaking:

1

2

1. On the website of the Commission; and

3

4

5

2. On the website of each member state EMS authority or the publication in which each state would otherwise publish proposed rules.

6

7

8

E. The Notice of Proposed Rulemaking shall include:

9

10

11

12

13

14

15

16

17

18

19

20

21

22

23

1. The proposed time, date, and location of the meeting in which the rule will be considered and voted upon;

2. The text of the proposed rule or amendment and the reason for the proposed rule;

3. A request for comments on the proposed rule from any interested person; and

4. The manner in which interested persons may submit notice to the Commission of their intention to attend the public hearing and any written comments.

1 F. Prior to adoption of a proposed rule, the
2 Commission shall allow persons to submit written data,
3 facts, opinions, and arguments, which shall be made
4 available to the public.

5

6 G. The Commission shall grant an opportunity for a
7 public hearing before it adopts a rule or amendment if a
8 hearing is requested by:

9

10 1. At least twenty-five (25) persons;

11

12 2. A governmental subdivision or agency; or

13

14 3. An association having at least twenty-five
15 (25) members.

16

17 H. If a hearing is held on the proposed rule or

20

21 1. All persons wishing to be heard at the
22 hearing shall notify the executive director of the
23 Commission or other designated member in writing of their

1 desire to appear and testify at the hearing not less than
2 five (5) business days before the scheduled date of the
3 hearing.

4

5 2. Hearings shall be conducted in a manner
6 providing each person who wishes to comment a fair and
7 reasonable opportunity to comment orally or in writing.

8

9 3. No transcript of the hearing is required,
10 unless a written request for a transcript is made, in which
11 case the person requesting the transcript shall bear the
12 cost of producing the transcript. A recording may be made
13 in lieu of a transcript under the same terms and conditions
14 as a transcript. This subsection shall not preclude the
15 Commission from making a transcript or recording of the
16 hearing if it so chooses.

17

18 4. Nothing in this section shall be construed as
19 requiring a separate hearing on each rule. Rules may be
20 grouped for the convenience of the Commission at hearings
21 required by this section.

22

1 I. Following the scheduled hearing date, or by the
2 close of business on the scheduled hearing date if the
3 hearing was not held, the Commission shall consider all
4 written and oral comments received.

5

6 J. The Commission shall, by majority vote of all
7 members, take final action on the proposed rule and shall
8 determine the effective date of the rule, if any, based on
9 the rulemaking record and the full text of the rule.

10

11 K. If no written notice of intent to attend the
12 public hearing by interested parties is received, the
13 Commission may proceed with promulgation of the proposed
14 rule without a public hearing.

15

16 L. Upon determination that an emergency exists, the
17 Commission may consider and adopt an emergency rule without
18 prior notice, opportunity for comment, or hearing, provided
19 that the usual rulemaking procedures provided in the
20 Compact and in this section shall be retroactively applied
21 to the rule as soon as reasonably possible, in no event
22 later than ninety (90) days after the effective date of the

1 rule. For the purposes of this provision, an emergency rule
2 is one that must be adopted immediately in order to:

3

4 1. Meet an imminent threat to public health,
5 safety, or welfare;

6

7 2. Prevent a loss of Commission or member state
8 funds;

9

10 3. Meet a deadline for the promulgation of an
11 administrative rule that is established by federal law or
12 rule; or

13

14 4. Protect public health and safety.

15

16 M. The Commission or an authorized committee of the
17 Commission may direct revisions to a previously adopted
18 rule or amendment for purposes of correcting typographical
19 errors, errors in format, errors in consistency, or
20 grammatical errors. Public notice of any revisions shall be
21 posted on the website of the Commission. The revision shall
22 be subject to challenge by any person for a period of
23 thirty (30) days after posting. The revision may be

1 challenged only on grounds that the revision results in a
2 material change to a rule. A challenge shall be made in
3 writing, and delivered to the chair of the Commission prior
4 to the end of the notice period. If no challenge is made,
5 the revision will take effect without further action. If
6 the revision is challenged, the revision may not take
7 effect without the approval of the Commission.

8

9

SECTION 13

10

OVERSIGHT, DISPUTE RESOLUTION, AND ENFORCEMENT

11

12

A. Oversight.

13

14

1. The executive, legislative, and judicial
15 branches of state government in each member state shall
16 enforce this Compact and take all actions necessary and
17 appropriate to effectuate the Compact's purposes and
18 intent. The provisions of this Compact and the rules
19 promulgated hereunder shall have standing as statutory law.

20

21

2. All courts shall take judicial notice of the
22 compact and the rules in any judicial or administrative
23 proceeding in a member state pertaining to the subject

1 matter of this Compact which may affect the powers,
2 responsibilities or actions of the Commission.

3

4 3. The Commission shall be entitled to receive
5 service of process in any such proceeding, and shall have
6 standing to intervene in such a proceeding for all
7 purposes. Failure to provide service of process to the
8 Commission shall render a judgment or order void as to the
9 Commission, this Compact, or promulgated rules.

10

11 B. Default, Technical Assistance, and Termination.

12

13 1. If the Commission determines that a member
14 state has defaulted in the performance of its obligations
15 or responsibilities under this Compact or the promulgated
16 rules, the Commission shall:

17

18 a. Provide written notice to the defaulting
19 state and other member states of the nature of the default,
20 the proposed means of curing the default and/or any other
21 action to be taken by the Commission; and

22

1 b. Provide remedial training and specific
2 technical assistance regarding the default.

3
4 2. If a state in default fails to cure the
5 default, the defaulting state may be terminated from the
6 Compact upon an affirmative vote of a majority of the
7 member states, and all rights, privileges and benefits
8 conferred by this Compact may be terminated on the
9 effective date of termination. A cure of the default does
10 not relieve the offending state of obligations or
11 liabilities incurred during the period of default.

12
13 3. Termination of membership in the Compact
14 shall be imposed only after all other means of securing
15 compliance have been exhausted. Notice of intent to suspend
16 or terminate shall be given by the Commission to the
17 governor, the majority and minority leaders of the
18 defaulting state's legislature, and each of the member
19 states.

20
21 4. A state that has been terminated is
22 responsible for all assessments, obligations, and
23 liabilities incurred through the effective date of

1 termination, including obligations that extend beyond the
2 effective date of termination.

3

4 5. The Commission shall not bear any costs
5 related to a state that is found to be in default or that
6 has been terminated from the Compact, unless agreed upon in
7 writing between the Commission and the defaulting state.

8

9 6. The defaulting state may appeal the action of
10 the Commission by petitioning the U.S. District Court for
11 the District of Columbia or the federal district where the
12 Commission has its principal offices. The prevailing member
13 shall be awarded all costs of such litigation, including
14 reasonable attorney's fees.

15

16 C. Dispute Resolution.

17

18 1. Upon request by a member state, the
19 Commission shall attempt to resolve disputes related to the
20 Compact that arise among member states and between member
21 and non-member states.

22

1 2. The Commission shall promulgate a rule
2 providing for both mediation and binding dispute resolution
3 for disputes as appropriate.

4

5 D. Enforcement.

6

7 1. The Commission, in the reasonable exercise of
8 its discretion, shall enforce the provisions and rules of
9 this Compact.

10

11 2. By majority vote, the Commission may initiate
12 legal action in the United States District Court for the
13 District of Columbia or the federal district where the
14 Commission has its principal offices against a member state
15 in default to enforce compliance with the provisions of the
16 Compact and its promulgated rules and bylaws. The relief
17 sought may include both injunctive relief and damages. In
18 the event judicial enforcement is necessary, the prevailing
19 member shall be awarded all costs of such litigation,
20 including reasonable attorney's fees.

21

22 3. The remedies herein shall not be the
23 exclusive remedies of the Commission. The Commission may

1 pursue any other remedies available under federal or state
2 law.

3

4

SECTION 14

5 DATE OF IMPLEMENTATION OF THE INTERSTATE COMMISSION FOR EMS

6 PERSONNEL PRACTICE AND ASSOCIATED RULES, WITHDRAWAL, AND

7

AMENDMENT

8

9 A. The Compact shall come into effect on the date on
10 which the Compact statute is enacted into law in the tenth
11 member state. The provisions, which become effective at
12 that time, shall be limited to the powers granted to the
13 Commission relating to assembly and the promulgation of
14 rules. Thereafter, the Commission shall meet and exercise
15 rulemaking powers necessary to the implementation and
16 administration of the Compact.

17

18 B. Any state that joins the Compact subsequent to the
19 Commission's initial adoption of the rules shall be subject
20 to the rules as they exist on the date on which the Compact
21 becomes law in that state. Any rule that has been
22 previously adopted by the Commission shall have the full

1 force and effect of law on the day the Compact becomes law
2 in that state.

3

4 C. Any member state may withdraw from this compact by
5 enacting a statute repealing the same.

6

7 1. A member state's withdrawal shall not take
8 effect until six (6) months after enactment of the
9 repealing statute.

10

11 2. Withdrawal shall not affect the continuing
12 requirement of the withdrawing state's EMS authority to
13 comply with the investigative and adverse action reporting
14 requirements of this act prior to the effective date of
15 withdrawal.

16

17 D. Nothing contained in this Compact shall be
18 construed to invalidate or prevent any EMS personnel
19 licensure agreement or other cooperative arrangement
20 between a member state and a non-member state that does not
21 conflict with the provisions of this Compact.

22

1 E. This Compact may be amended by the member states.
2 No amendment to this Compact shall become effective and
3 binding upon any member state until it is enacted into the
4 laws of all member states.

5

6

SECTION 15

7

CONSTRUCTION AND SEVERABILITY

8

9 This Compact shall be liberally construed so as to
10 effectuate the purposes thereof. If this Compact shall be
11 held contrary to the constitution of any state member
12 thereto, the Compact shall remain in full force and effect
13 as to the remaining member states. Nothing in this Compact
14 supersedes state law or rules related to licensure of EMS
