"(e) As used in this article, until established otherwise by rule of the Wyoming business council pursuant to subsection (f) of this section, "unserved area" is an area within a proposed project in which there exists no fixed terrestrial broadband service, or in which the maximum fixed terrestrial broadband speed available:

(i) To residential customers is ten (10) megabits per second download and one (1) megabit per second upload;

(ii) To a business corridor within a municipality:

(A) With a population of less than two thousand (2,000), is twenty-five (25) megabits per second download and three (3) megabits per second upload;

(B) With a population of two thousand (2,000) or more, is fifty (50) megabits per second download and five (5) megabits per second upload.

(iii) To a business corridor in an incorporated area of a county, is twenty-five (25) megabits per second download and three (3) megabits per second upload.

(f) The Wyoming business council shall, by rule effective on July 1, 2020, establish a definition of "unserved area" for purposes of this article. The rule shall provide for speeds exceeding those specified in subsection (e) of this section and otherwise modify the provisions of subsection (e) as the business council determines appropriate for technological and economic conditions prevailing as of July 1, 2020."

Delete the Rothfuss committee of the whole amendment (SF0100SW002/A) entirely.

Delete the Rothfuss second reading amendment (SF0100S2001/A) entirely.

Further amend as follows:

Page 1-line 16 After "**established**" insert "**; purposes; eligibility; definitions**".

Page 4-after line 2

Insert:

"(e) As used in this article, until established otherwise by rule of the Wyoming business council pursuant to subsection (f) of this section,

"unserved area" is an area in which there exists no fixed terrestrial broadband service, or in which the maximum fixed terrestrial broadband speed available:

(i) To residential customers is ten (10) megabits per second download and one (1) megabit per second upload;

(ii) To a business corridor within a municipality:

(A) With a population of less than two thousand (2,000), is twenty-five (25) megabits per second download and three (3) megabits per second upload;

(B) With a population of two thousand (2,000) or more, is fifty (50) megabits per second download and five (5) megabits per second upload.

(iii) To a business corridor in an unincorporated area of a county, is twenty-five (25) megabits per second download and three (3) megabits per second upload.

(f) The Wyoming business council shall, by rule effective on July 1, 2020, modify the definition of "unserved area" for purposes of this article. The rule shall only modify the definition by providing for upload and download speeds exceeding those specified in subsection (e) of this section as the business council determines appropriate for technological conditions prevailing as of July 1, 2020.

(g) The Wyoming business council shall by rule establish a definition of "business corridor" for purposes of this article. An area shall not be considered a business corridor unless multiple businesses are, or have undertaken permitting, construction or other substantial steps to be, located in proximity to each other such that the provision of broadband services at the speeds specified in subsections (e) and (f) of this section is technologically and economically feasible."
