STATE OF WYOMING

HOUSE BILL NO. HB0189

Wide load restrictions-agriculture.

A BILL

for

1	AN ACT relating to commercial vehicles; providing an
2	exception to signage requirements for implements of husbandry
3	being transported less than a specified distance; requiring
4	review of rules; and providing for an effective date.
5	
6	Be It Enacted by the Legislature of the State of Wyoming:
7	
8	Section 1. W.S. 31-18-802(a)(iii)(B) is amended to
9	read:
10	
11	31-18-802. General requirements.
12	
13	(a) All vehicles operated on the highways of this state
14	shall comply with the following:
15	

1

HB0189

19LSO-0531

1	(iii) Notwithstanding paragraphs (i) and (ii) of
2	this subsection, implements and produce of husbandry of
3	greater widths or greater heights may be moved in agricultural
4	operations during daylight hours, without a permit or fee,
5	but subject to and in accordance with regulations promulgated
6	by the department for the protection of persons, property,
7	highways and bridges. Regarding movement of implements of
8	husbandry not exceeding sixteen (16) feet in width or height,
9	the rules and regulations shall:
10	
11	(B) Require the display of an oversize
12	vehicle sign and warning lights as approved by the department $_{\scriptstyle I}$
13	if the movement of the implement of husbandry is more than
14	<u>two (2) miles</u> .
15	
16	Section 2. The department of transportation shall
17	review its rules and enforcement for consistency with W.S.
18	31-18-802.
19	
20	Section 3. This act is effective July 1, 2019.
21	
22	(END)
