(xxxi) By rule and regulation and in consultation with the state board of education and the Wyoming professional teaching standards board, provide guidance and oversight of virtual education. Courses taught pursuant to an agreement entered into under W.S. 21-13-330(m) shall not be subject to rules and regulations promulgated pursuant to this paragraph. The rules and regulations promulgated pursuant to this paragraph shall meet the requirements of this paragraph by:

21-13-330. Virtual education; program content; agreements between districts authorized.

(m) Two (2) school districts may enter into an agreement to allow a teacher in one (1) school district to instruct students in another school district using virtual education. A course taught pursuant to an agreement entered into under this subsection shall not be considered virtual education for purposes of determining if a student is receiving part-time virtual education or full-time virtual education. An agreement entered into under this subsection shall:
