Section 329.

(a) There is appropriated thirty-one million four hundred eighty thousand dollars (\$31,480,000.00) from the general fund to the state auditor for salary adjustments of generally funded employees whose salary is not prescribed by law for the fiscal biennium commencing July 1, 2020 and ending June 30, 2022 as specified in this section. Two-thirds (2/3) of the amount appropriated in this section shall be distributed in fiscal year 2021 and one-third (1/3) of the amount appropriated in this section shall be distributed in fiscal year 2022. From this appropriation, the state auditor shall distribute the following amounts:

(i) Sixteen million nine hundred thousand dollars (\$16,900,000.00) for distribution among the executive branch agencies, including statewide elected officials, pursuant to subsection (b) of this section for employees of the executive branch, the commission on judicial conduct and ethics and the community college commission but not including any agency or entity specified in paragraph (ii) or (iii) of this subsection;

(ii) Eight million four hundred thousand dollars (\$8,400,000.00) to the University of Wyoming pursuant to subsection (b) of this section for employees of the University of Wyoming and the enhanced oil recovery commission;

(iii) Four million nine hundred eighty thousand dollars (\$4,980,000.00) to the community college commission to be further distributed pursuant to subsection (b) of this section among the community colleges for employees of the community colleges and Wyoming public television;

(iv) One million two hundred thousand dollars (\$1,200,000.00) to the supreme court to be further distributed pursuant to subsection (b) of this section among the employees of the supreme court, district courts and circuit courts and related subdivisions.

(b) Funds appropriated under subsection (a) of this section shall be uniformly distributed to employees within each paragraph under subsection (a) of this section to provide for salary and employer paid benefit increases in a

uniform percentage for the portion of an employee's or position's generally funded salary that is less than or equal to eighty thousand dollars (\$80,000.00) per year. No funds appropriated in this section shall be expended to provide for a percentage increase for the portion of an employee's or position's salary that exceeds eighty thousand dollars (\$80,000.00) per year.

(c) For state executive and judicial branch employees whose compensation is paid from nongeneral fund sources, to the extent funds are available, there is appropriated from those accounts and funds amounts necessary to provide payment of comparable percentage salary increases and employer paid benefits as that which is distributed to employees within each paragraph under subsection (a) of this section and subject to the limitations in subsection (b) of this section. For state executive and judicial branch employees, general funds shall only be expended for compensation increases in the same proportion as the employee's budgeted salary is paid by state general funds.

(d) Notwithstanding any other provision of law, the appropriation under this section shall not be transferred or expended for any purpose other than as specified in this section. 21-13-309. Determination of amount to be included in foundation program for each district.

(m) In determining the amount to be included in the foundation program for each district, the state superintendent shall:

(v) Based upon ADM computations and identified school configurations within each district pursuant to paragraph (iv) of this subsection, compute the foundation program amount for each district as prescribed by the education resource block grant model adopted by the Wyoming legislature as defined under W.S. 21-13-101(a)(xiv), as contained within the spreadsheets and accompanying reports referenced under W.S. 21-13-101(a)(xvii). The following criteria shall be used by the state superintendent in the administration of the education resource block grant model:

(F) Amounts provided within the model for health insurance shall be based upon:

(I) Prior year statewide average district weighted actual participation in district health insurance plans as to the proportion of employee only, split contracts, employee plus spouse or children and family coverage; ~~and~~

(II) The annualized state contribution rate as of January 1 of the preceding school year, on behalf of each employee and official enrolled in the state group health insurance plan, for employee only, split contracts, employee plus spouse or children and family coverage; and

(III) For school year 2020-2021 and school year 2021-2022, the amount provided to a school district for health insurance shall be calculated using the annualized state contribution rate as of January 1, 2019 for employee only, split contracts, employee plus spouse or children and family coverage based on district weighted actual participation in district health insurance plans for the 2018-2019 school year, plus additional funding for each school district employee actually enrolled in a school district health insurance plan in the applicable preceding school year calculated in accordance with the following:

(1) The department of education shall calculate the number of model funded district employees actually enrolled in a district health insurance plan for the preceding school year;

(2) The department shall calculate the difference between the annualized state contribution rate as of January 1 of the preceding school year for employee only, split contracts, employee plus spouse or children and family coverage based on district weighted actual participation in district health insurance plans for the preceding school year and the annualized state contribution rate as of January 1, 2019 for employee only, split contracts, employee plus spouse or children and family

coverage based on district weighted actual participation in district health insurance plans for the 2018-2019 school year;

"[COMMUNITY COLLEGE APPROPRIATION AND MATCHING FUNDS-2]

Section 329.

(a) There is appropriated ten million dollars (\$10,000,000.00) from the strategic investments and projects account to the state treasurer for deposit into seven (7) separate accounts to provide matching funds to each Wyoming community college district. Subject to subsection (b) of this section, these funds shall be used to match gifts and donations made to each community college district for any purpose designated by the district. This appropriation shall not be transferred or expended for any other purpose. Funds appropriated in this subsection shall be allocated as follows:

- (i) Two million dollars (\$2,000,000.00) to Casper College;

(ii) One million dollars (\$1,000,000.00) to Central Wyoming Community College;

(iii) Seven hundred fifty thousand dollars (\$750,000.00) to Eastern Wyoming College;

(iv) Two million dollars (\$2,000,000.00) to Laramie County Community College;

(v) One million two hundred fifty thousand dollars (1,250,000.00) to Northwest College;

(vi) One million five hundred thousand dollars (\$1,500,000.00) to the Northern Wyoming Community College District;

(vii) One million five hundred thousand dollars (\$1,500,000.00) to Western Wyoming Community College.

(b) Pursuant to subsection (a) of this section, from the effective date of this section and ending December 31, 2021, to the extent funds are available in the separate accounts, the state treasurer shall match gifts of cash or cash equivalent amounts received by a community college district and certified to the state treasurer in accordance with the following:

(i) Expenditures of this appropriation are conditioned upon a match of funds in the ratio of one dollar (\$1.00) of appropriated strategic investments and projects account funds to not less than one dollar fifty cents (\$1.50) of matching funds from a nonstate entity. A match shall be paid to the community college district any time after the sum of any accumulated gifts totals ten thousand dollars (\$10,000.00) or more;

(ii) Each community college district may request that the state treasurer encumber amounts available in the district's account in anticipation of gifts or donations that meet the requirements of paragraph (i) of this subsection and that are the subject of a binding agreement to make the gift or donation;

(iii) The state treasurer shall make all transfers due under this section not later than the end of the calendar quarter following the quarter in which a qualifying gift is actually received by the district;

(iv) Any match paid to a community college district by the state treasurer shall be in accordance with the ratio described in paragraph (i) of this subsection and shall not exceed the amount of the gift received by the district.

(c) This section shall be effective immediately.

(d) It is the intent of the legislature that the appropriations in this section not be included in the Wyoming community college commission's standard budget for the immediately succeeding fiscal biennium."

Section 329.

(a) In anticipation of continuing challenges to Wyoming's revenues, the governor shall work with agency and department leaders to identify and implement budget reductions equal to one and one-half percent (1.5%) of each agency's or department's standard budget for programs supported by the state general fund during fiscal year 2022. These reductions should consider, but not be limited to, the following criteria:

(i) Savings to personnel services (100 series) related to increasing the span of control and supervision within each agency or department;

(ii) Savings related to program and process efficiencies that may reduce the need for expenditures in support services (200 series) and contract services (900 series) within each agency or department;

(iii) Any other areas that will yield the budget reduction level specified in this section and that will continue to allow each agency or department to meet its operational and programmatic mission.

(b) Each agency and department shall report its savings efforts and savings amounts pursuant to this section to the department of administration and information budget division and human resources division not later than September 1, 2020. The department of administration and information shall compile the reports and savings amounts and report to the joint appropriations committee as part of the governor's supplemental budget submission not later than November 16, 2020.
