

## HOUSE BILL NO. HB0085

Prescription tracking program rules.

Sponsored by: Representative(s) Wilson and Senator(s) Scott

A BILL

for

1 AN ACT relating to controlled substances; providing  
2 rulemaking authority related to the controlled substance  
3 prescription tracking program; and providing for an  
4 effective date.

5

6 *Be It Enacted by the Legislature of the State of Wyoming:*

7

8 **Section 1.** W.S. 35-7-1060(a) is amended to read:

9

10 **35-7-1060. Controlled substance prescription tracking**  
11 **program.**

12

13 (a) In addition to other duties and responsibilities  
14 as provided by this act, the board shall maintain a  
15 computerized program to track prescriptions for controlled  
16 substances for the purposes of assisting patients,

1 practitioners and pharmacists to avoid inappropriate use of  
2 controlled substances and of assisting with the  
3 identification of illegal activity related to the  
4 dispensing of controlled substances. The tracking program  
5 and any data created thereby shall be administered by the  
6 board, and the board may charge reasonable fees to help  
7 defray the costs of operating the program. Any fee shall  
8 be included with and in addition to other registration fees  
9 established by the board as authorized in W.S. 35-7-1023.  
10 The board shall promulgate rules to administer the tracking  
11 program under this section. Rules adopted under this  
12 subsection may specify requirements and procedures for  
13 practitioners, pharmacists and any other person authorized  
14 or required to use the tracking program.

15

16 **Section 2.** This act is effective July 1, 2020.
