8 **Section 1.** W.S. 39-15-111(c) and (d) by creating a
9 new paragraph (iii) and 39-16-111(d) and (e) by creating a
10 new paragraph (iii) are amended to read:

11

12 **39-15-111. Distribution.**

13

14 (c) If any person commences after the effective date
15 of this act to construct an industrial facility, as that
16 term is defined in W.S. 35-12-102, under a permit issued

1 pursuant to W.S. 35-12-106, or if the federal or state
2 government commences to construct any project within this
3 state with an estimated construction cost as specified in
4 the definition of industrial facility in W.S. 35-12-102 the
5 department of revenue shall thereafter pay to the county
6 treasurer and the county treasurer will distribute to the
7 county, cities and towns of that county in which the
8 industrial facility or project is located, impact
9 assistance payments from the monies available under
10 paragraph (b)(i) of this section. Each payment to the
11 county treasurer shall be equal to an amount determined by
12 the industrial siting council under this subsection and
13 shall continue during the period of construction except
14 that in the case of an industrial facility or a federal or
15 state government project which is expected to continue in
16 phases for an indefinite period of time, the department of
17 revenue shall discontinue payments under this section when
18 construction of any phase has ceased or been substantially
19 completed for twelve (12) consecutive months. The person
20 constructing the industrial facility and the counties
21 affected by the construction of the industrial facility
22 shall provide evidence at the public hearing held pursuant
23 to W.S. 35-12-110(f)(i) of the mitigated and unmitigated

1 impacts that the construction will have on the counties,
2 cities and towns determined by the industrial siting
3 council to be affected by the construction of the
4 industrial facility. The industrial siting council shall
5 review the evidence of the impacts and determine, applying
6 a preponderance of evidence standard, the dollar amount of
7 the unmitigated impacts. The council shall state, in the
8 order issued under W.S. 35-12-113(a), the total dollar
9 amount of the impact assistance payment and the reasons for
10 determining that amount. The impact assistance payment
11 shall be distributed by the department of revenue in an
12 amount and on a schedule determined by the council, based
13 on evidence presented at the hearing. Under no
14 circumstances shall the total dollar amount of the impact
15 assistance payment exceed ~~two and seventy-six hundredths~~
16 ~~percent (2.76%)~~ one and three-quarter percent (1.75%) of
17 the total estimated material costs of the facility, as
18 those costs are determined by the council. The impact
19 assistance payments shall be distributed to the county
20 treasurer and the county treasurer will distribute to the
21 county and to the cities and towns therein based on a ratio
22 established by the industrial siting council during a
23 public hearing held in accordance with W.S.

1 35-12-110(f)(i). In determining the distribution ratio,
2 the industrial siting council may consider the extent and
3 location of the unmitigated impacts, the populations of the
4 affected counties, cities and towns and any other equitable
5 factors. The industrial siting council shall review the
6 distribution ratio for construction projects on a regular
7 basis and make appropriate adjustments. A governing body
8 which is primarily affected by the facility, or any person
9 issued a permit pursuant to W.S. 35-12-106, may petition
10 the industrial siting council for review and adjustment of
11 the distribution ratio or the amount of the impact
12 assistance payment upon a showing of good cause. The impact
13 assistance payment shall be in addition to all other
14 distributions under this section, but no impact assistance
15 payment shall be made for any period in which the county or
16 counties are not imposing at least a one percent (1%) tax
17 authorized by W.S. 39-15-204(a)(i) and 39-16-204(a)(i) or
18 at least a total of a two percent (2%) sales tax authorized
19 under W.S. 39-15-204(a)(i), (iii) and (vi) and at least a
20 total of a two percent (2%) use tax authorized under W.S.
21 39-16-204(a)(i), (ii) and (v). For purposes of this
22 subsection, the industrial facility or federal or state
23 government project will be deemed to be located in the

1 county in which a majority of the construction costs will
2 be expended, provided that upon a request from the county
3 commissioners of any adjoining county to the industrial
4 siting council, the council may determine that the social
5 and economic impacts from construction of the industrial
6 facility or federal or state government project upon the
7 adjoining county are significant and establish the ratio of
8 impacts between the counties and certify that ratio to the
9 department of revenue who will thereafter distribute the
10 impact assistance payment to the counties pursuant to that
11 ratio. The industrial siting council shall adopt rules as
12 necessary to implement this subsection.

13

14 (d) As used in subsection (c) of this section:

15

16 (iii) "Unmitigated impact" means an expense
17 incurred by a county, city or town directly attributable to
18 the construction of an industrial facility and which:

19

20 (A) Is not otherwise mitigated by the
21 person constructing the industrial facility;

22

1 (B) Is limited to expenses for medical
2 services, fire and police department services, roads and
3 public utilities and is supported by an analysis of the
4 current excess capacity in each of these areas;

5
6 (C) May include the expenses of employing
7 additional employees or officers only if the county, city
8 or town has determined overtime compensation or contract
9 labor would not be appropriate; and

10
11 (D) Excludes the following:

12
13 (I) Improvements to existing
14 structures beyond that necessary to return the structure to
15 the condition in which the structure existed before the
16 construction of the industrial facility;

17
18 (II) Expenses for which a county, city
19 or town previously received an impact assistance payment
20 unless the county, city or town can demonstrate the
21 expenses are ongoing.

22
23 **39-16-111. Distribution.**

2 (d) If any person commences after the effective date
3 of this act to construct an industrial facility, as that
4 term is defined in W.S. 35-12-102, under a permit issued
5 pursuant to W.S. 35-12-106, or if the federal or state
6 government commences to construct any project within this
7 state with an estimated construction cost as specified in
8 the definition of industrial facility in W.S. 35-12-102 the
9 department of revenue shall thereafter pay to the county
10 treasurer and the county treasurer will distribute to the
11 county, cities and towns of that county in which the
12 industrial facility or project is located, impact
13 assistance payments from the monies available under
14 paragraph (b)(i) of this section. Each payment to the
15 county treasurer shall be equal to an amount determined by
16 the industrial siting council under this subsection and
17 shall continue during the period of construction except
18 that in the case of an industrial facility or a federal or
19 state government project which is expected to continue in
20 phases for an indefinite period of time, the department of
21 revenue shall discontinue payments under this section when
22 construction of any phase has ceased or been substantially
23 completed for twelve (12) consecutive months. The person

1 constructing the industrial facility and the counties
2 affected by the construction of the industrial facility
3 shall provide evidence at the public hearing held pursuant
4 to W.S. 35-12-110(f)(i) of the mitigated and unmitigated
5 impacts that the construction will have on the counties,
6 cities and towns determined by the industrial siting
7 council to be affected by the construction of the
8 industrial facility. The industrial siting council shall
9 review the evidence of the impacts and determine, applying
10 a preponderance of evidence standard, the dollar amount of
11 the unmitigated impacts. The council shall state, in the
12 order issued under W.S. 35-12-113(a), the total dollar
13 amount of the impact assistance payment and the reasons for
14 determining that amount. The impact assistance payment
15 shall be distributed by the department of revenue in an
16 amount and on a schedule determined by the council, based
17 on evidence presented at the hearing. Under no
18 circumstances shall the total dollar amount of the impact
19 assistance payment exceed ~~two and seventy-six hundredths~~
20 ~~percent (2.76%)~~ one and three-quarter percent (1.75%) of
21 the total estimated material costs of the facility, as
22 those costs are determined by the council. The impact
23 assistance payments shall be distributed to the county

1 treasurer and the county treasurer will distribute to the
2 county and to the cities and towns therein based on a ratio
3 established by the industrial siting council during a
4 public hearing held in accordance with W.S.
5 35-12-110(f)(i). In determining the distribution ratio,
6 the industrial siting council may consider the extent and
7 location of the unmitigated impacts, the populations of the
8 affected counties, cities and towns and any other equitable
9 factors. The industrial siting council shall review the
10 distribution ratio for construction projects on a regular
11 basis and make appropriate adjustments. A governing body
12 which is primarily affected by the facility, or any person
13 issued a permit pursuant to W.S. 35-12-106, may petition
14 the industrial siting council for review and adjustment of
15 the distribution ratio or the amount of the impact
16 assistance payment upon a showing of good cause. The
17 impact assistance payment shall be in addition to all other
18 distributions under this section, but no impact assistance
19 payment shall be made for any period in which the county or
20 counties are not imposing at least a one percent (1%) tax
21 authorized by W.S. 39-15-204(a)(i) and 39-16-204(a)(i) or
22 at least a total of a two percent (2%) sales tax authorized
23 under W.S. 39-15-204(a)(i), (iii) and (vi) and at least a

1 total of a two percent (2%) use tax authorized under W.S.
2 39-16-204(a)(i), (ii) and (v). For purposes of this
3 subsection, the industrial facility or federal or state
4 government project will be deemed to be located in the
5 county in which a majority of the construction costs will
6 be expended, provided that upon a request from the county
7 commissioners of an adjoining county to the industrial
8 siting council, the council may determine that the social
9 and economic impacts from construction of the industrial
10 facility or federal or state government project upon the
11 adjoining county are significant and establish the ratio of
12 impacts between the counties and certify that ratio to the
13 department of revenue who will thereafter distribute the
14 impact assistance payment to the counties pursuant to that
