Insert:

"Section 4.

(a) For school year 2020-2021, the governor may reduce each school district's amount calculated under W.S. 21-13-309(p) by a uniform percentage, up to the percentage the school foundation program amount as defined under W.S. 21-13-101(a)(v) is derived from non-constitutionally obligated sources for school year 2020-2021, including the legislative stabilization reserve account, federal mineral royalties and motor vehicle licensing and registration. The

reduction shall be made in an amount necessary to meet the purposes specified in subsection (b) of this section.

(b) An amount of funds corresponding to the reduction made under subsection (a) of this section is appropriated to the governor from the school foundation program account for purposes of administering state government. This appropriation is for the period from July 1, 2020 to June 30, 2022. This appropriation shall not be transferred or expended for any other purpose and any unexpended, unobligated funds remaining from this appropriation shall revert to the school foundation program account on June 30, 2022.

(c) To the extent that funds are available and are allowable expenditures from federal funds provided to the state for COVID-19 related purposes including from the Coronavirus Aid, Relief and Economic Security (CARES) Act, Public Law 116-136, or other similarly purposed federal act, the governor may use those funds to replace any funds reduced or transferred under this section. No replacement of funds shall be made under this section except in accordance with federal laws, regulations and orders.

(d) By June 1, 2020, the governor shall determine any reduction made pursuant to subsection (a) of this section. The governor shall report the amount of the reduction in writing to the state superintendent and the joint appropriations committee."
