7

8 **Section 1.** W.S. 37-16-105 is created to read:

9

10 **37-16-105. New net metering systems; rates, terms and**
11 **conditions of use; sunset.**

12

13 (a) Except as provided in subsection (b) of this
14 section, no electric utility shall be obligated under this
15 article to compensate any customer-generator for any

1 electricity produced on a net metering system that is first
2 operational on or after July 1, 2021.

3

4 (b) The public service commission shall conduct
5 public hearings and establish an appropriate system to
6 regulate the rates, terms and conditions of
7 customer-generators by all electric utilities for
8 electricity produced from net metering systems first
9 operational on or after July 1, 2021. The system shall
10 prevent subsidization of customer-generators compared to
11 other customers of the electric utility. The commission
12 shall establish the system under this subsection by January
13 1, 2022. The safety requirements of W.S. 37-16-104 shall
14 apply to net metering systems first operational on or after
