STATEMENT OF PRINCIPAL REASONS

The Miners' Hospital Board proposes to amend Chapters 1 and 2 of its Rules in order to clarify definitions, administrative matters, and eligibility for benefit programs and to align benefits more closely with the statutory intent. Changes in Chapter 2 establish documentation for verification of residency, clarify that the Medical Assistance Benefit is limited to pulmonary/respiratory, cardiac, and musculoskeletal conditions which are due to labor in the mining industry, and clarify the Prescription Hardship requirements and procedures. Various formatting changes have also been made to conform to the Rules on rules. The changes to Chapter 2 are intended to keep expenditures for benefits within the funds available and budgeted.

Summary of comments and responses to proposed rule changes to: Chapter 1: General Provisions and Chapter2: Services for Miners.

The proposed rule changes were posted on the Miners' Hospital Board website and legal notice with the link to the website and proposed rule changes were run in the Gillette News Record, Casper Star Tribune, and Rock Spring Rocket Miner.

No comments were received.
