STATEMENT OF PRINCIPAL REASONS FOR ADOPTION OF RULES

Under W.S. 16-4-204(e), the Department of Administration and Information was required to adopt uniform rules for the use of state agencies establishing procedures, fees, costs, and charges for inspection, copies, and production of public records. Under W.S. 16-3-103(j)(ii), each state agency is required to adopt as much of the uniform rules as is consistent with the specific and distinct requirements of the agency and state or federal law governing or applicable to the agency. Chapter 1 of the Board of Land Commissioners rules is being amended to incorporate the uniform rules in their entirety. Chapter 17 is being amended to remove non-conforming language that stated the Board would set the public records fee annually by resolution.

Additionally, W.S. 16-3-102(d), requires the Office of Administrative Hearings to adopt uniform rules for contested case proceedings. The uniform rules set forth the nature and requirements of all formal and informal procedures available in connection with contested cases. Under W.S. 16-3-103(j)(ii), each state agency is required to adopt as much of the uniform rules as is consistent with the specific and distinct requirements of the agency and state or federal law governing or applicable to the agency. Chapter 1 of the Board's rules is being amended to incorporate the uniform rules in their entirety.

In addition, Chapter 1 is being amended to add the definition of "Office" and make the definitions applicable to all chapters to reduce redundancy in later chapters, including Chapter 17. Finally, the schedule for regular Board meetings are being modified from monthly to February, April, June, August, October and December to conform to the current practice of only meeting every other month.
