9

10 **Section 1.** W.S. 35-9-123(a)(viii) by creating a new
11 subparagraph (F) is amended to read:

12

1 **35-9-123. Electrical installations to be performed by**
2 **licensed electricians; exceptions.**

3

4 (a) Licensed electrical contractors employing
5 licensed master or journeymen electricians, or registered
6 apprentice electricians supervised by a licensed master or
7 journeyman electrician shall install all electrical
8 equipment. This requirement is waived for:

9

10 (viii) Licensed limited electrical contractors
11 employing licensed limited technicians or registered
12 limited apprentice technicians who may install electrical
13 equipment which falls under the scope of their limited
14 license or registration. The electrical work shall only
15 include the electrical system on the load side of the
16 disconnect which supplies power to the electrical equipment
17 that they are licensed to work on. The chief electrical
18 inspector may issue a limited electrical contractor's
19 license to a contractor not qualified for an electrical
20 contractor's license but qualified in his limited area of
21 expertise for the:

22

1 (F) Installation, repair or maintenance of
2 lawn sprinkler control systems limited to wiring on the
3 load side of the system disconnect.
