

**Program Evaluator**  
**Wyoming Legislative Service Office**  
<http://legisweb.state.wy.us/>

**Program Evaluator:** The Wyoming Legislative Service Office is accepting applications for the position(s) of Associate Program Evaluator in Cheyenne, Wyoming.

**Duties:** As a member of the Legislative Service Office, Program Evaluation and Research Section, the person that fills this position will work in teams to conduct independent evaluations of state programs for the Wyoming Legislature pursuant to W.S. 28-8-107. This person will also be responsible for presenting findings and recommendations to legislative committees. Additionally, this person will perform non-evaluative research and reporting. As a member of the Legislative Service Office, this person may be required to perform other duties as the needs of the Wyoming Legislature dictate.

**Qualifications:** Graduate degree preferred in social science, public policy, public administration, statistics, business, finance, or related field. Expertise in qualitative and quantitative research, statistical and data analysis, and experience in government evaluation or auditing is preferred. Also, an understanding of the following is required: principles of governmental organization and accountability; strong analytical, writing and interpersonal skills; PC word processing and spreadsheet skills. The individual must be able to work in a team setting as well as independently as the need arises.

**Salary:** Competitive depending on experience and qualifications.

**Application:** Open until filled. Please send resume, cover letter, and short sample of statistical or other data analysis and analytical writing (no more than three pages each) to:

Legislative Service Office  
213 Capitol Building
