Cindy Hill, Superintendent of Public Instruction  
Wyoming Department of Education  
Hathaway Building  
2300 Capitol Ave.  
Cheyenne, WY 82002-0050

Dear Superintendent Hill:

At the request of Matthew Willmarth of the Legislative Service Office, I have reviewed version 2(b) 3-6-12 of the Wyoming Funding Model. Based on my understanding of the changes enacted by the Wyoming Legislature during its 2012 Session it is my opinion that the model I reviewed is operating as intended and accurately distributes funds to Wyoming's School Districts under current Wyoming law.

Sincerely,

A handwritten signature in black ink that reads "Lawrence O. Picus".
