<b>Page Number</b>	<b>Recommendation Summary</b>	<b>Party Addressed</b>	<b>Agency Response</b>
32	DFS should develop a cost-based rate methodology in collaboration with the other agencies funding COPs, and develop a contracting process that facilitates the monitoring of service contracts.	DFS	Agree
41	DFS should develop rules and procedures to ensure that children receive uniform, independent clinical assessments prior to being placed in RTCs.	DFS	Agree
52	DFS should more actively manage COPs cases and should develop measures of treatment effectiveness.	DFS	Agree
